Flight School International INC

COMPANY OVERVIEW

With over 50 years in business, we are proud of our history in training professional pilots. Our alumni who have been recognized for their hard work under our flight instructors, are now captains all over the world. If you seek a career in aviation, be prepared to have the most memorable and enjoyable time of your life. Although flying may not be easy, the challenges faced will make you a better pilot. The lessons you learn in aviation will stay with you for life, which most people will not have the opportunity to experience. Through our expertise in training and operation, we will guide you to achieve your goals.

What makes us DIFFERENT?

• REPUTATION

YFS has a 50-year track record in training pilots from all over the world. We are proud of our alumni, who are now pilots in well-renowned airlines.

• MENTORSHIP

Through personalized instruction, career mentoring, and tailored programs, we ensure unique journey for each student in their endeavor to become a pilot.

• SAFETY

YFS has the highest safety standards amongst all pilot training schools. We maintain these standards by updating our fleet with the latest aircrafts.

• ENVIRONMENT

Florida is famous for its sunny weather with more than 350 days of flying throughout the year.

YOANNA
Flight School International INC

EXAMINERS

Since YFS has an in-house examiner, our students do not have to fly or commute to other airports for their checkride. Once students are ready for theirride, there is no need to wait to schedule with an examiner.

DURATION

YFS has a reputation for training their students in less than 8 months for their professional pilot license.

INSTRUCTORS

YFS is led by airline pilots to provide real pilot experience and top-notch flight and ground training.

OUR FLEET

4 Cessna 172

1 Piper Seneca

1 Piper Arrow

1 Piper Seminole

2 Piper Cherokee
